Reports

Your child will be bringing home their annual reports this evening—we are extremely proud of all that the children have continued to achieve this year, in spite of the challenges the pandemic has continued to present with absence from school and disruption to learning.

Please do take the time to read to additional information as well as the report itself as this will provide more detail. Staff will be happy to answer any questions or queries you have next week.

Hot Weather

Parents should have received an email earlier today about the measure we are taking to keep your children safe in the hot weather we are currently experiencing. School will be open as usual next week—please make sure your child has suncream on and a hat. We will only be taking them outside for short periods of time, but it's still important that they are well protected. Water will be readily available as it always is.

Staff Updates

As we approach the end of the school year, we will be saying farewell to our Y6 children, but also several members of staff. Miss Lish will be leaving us to do her teaching training year after receiving the news that she has passed her degree—congratulations! Miss Sue Johnson, one of our Family Support Workers who many of you will have worked with, is also leaving us to pursue an exciting opportunity working with young people leaving the care system. We wish both of them lots of luck with their future careers!

Y6 Leavers Assembly Friday 22nd July 9.30am

We look forward to welcoming parents/carers/families of Y6 to join us for their leavers assembly on Friday morning—please make sure you have completed the online form if you are attending.

Attendance

Rocket Fund Update

On Tuesday we rolled out the red carpet for our VIP guest! Sally of @SallyMillsPT joined us for a glass of fizz(Shloer) and a tour of the school as we showed her how her generous donation to our rocket fund has helped us develop computing provision here at Upton Meadows.

UMPS Eco Warriors need your help this summer!

We will be exploring plastic waste during the autumn term, and we need as many plastic bottle top lids as possible for our project! For this top-secret project, we need a variety of lids ranging in colours and size e.g. Milk bottle lids, drink lids, Lenor style lids etc. Please bring these in and give them to your class Eco Warrior. Thank you for your continued support.
