Merchant of Venice - Y5 at The Royal Theatre

Our Y5 Shakespeare group had a fabulous day on Monday as it was finally time for them to take part in our Trust collaborative performance of The Merchant of Venice at The Royal Theatre in town.

Upton Meadows was one of seven schools from across Northampton Primary Academy Trust to take part and our children's performance was absolutely outstanding! They danced, acted (with the original Shakespearean script) and performed the song

that they had written as part of the project. Special mention must go to Adaline for her exceptional monologue - so many people commented on her captivating delivery! The children were fantastically be-

haved and represented our school brilliantly - we are so very proud of them and the teachers, particularly Miss Duffy, who put the whole thing together and rehearsed tirelessly with them!

Grand Total

We raised a grand total of £294.76 for Comic Relief last week!

Well done everyone for your great effort and donations!

Y4—Norfolk Residential

Our Y4 children have been enjoying an exciting three days away in Norfolk doing lots of exciting Science and Geography fieldwork as well as having lots of fun doing different activities. They've been in rivers, across mud flats, hiding in trees, in spooky ruins and on the beach—and all the time showing how brilliant our children are!

Thank you to the six members of staff who have given up time with their own families to give our children this amazing opportunity—we can't wait to hear more about it next week!

Special Visitors

Reception have been really lucky this week with two special visitors. We met an RSPCA inspector and learnt all about the equipment they use and how they rescue animals. We have also met some dentists who taught us the correct way to brush our teeth. We also looked at which foods are good or bad for our teeth.

Super Stars

Well done to all the children who have worked so hard this week and demonstrated lots of our school values!

RJF: Lillie-Grace for working hard with her phonics and never giving up.

Year 1 News

In English we have been learning the model text The Tiger who Came to Tea. We have learnt how to write in past tense, to use repetition and the Power of three adjectives. This week we innovated the story and changed the animal who came to tea. Some ideas included – a unicorn, a rabbit, a flamingo!

In Science we have been learning about the properties of materials. For science week we completed an experiment where we made jelly! We explored which ones set when different fruits were added. We thought it was great!

In Maths we have been learning to count in 2,5 and 10's. We have learnt to draw arrays using rows and columns. In number sense we have been practising answering questions speedily on doubles and halves. WE have also explored the number zero in number sentences.

In RE we have been learning about Judaism and last week we had a visitor – Mrs Elijah. She taught us all about shabbat and we got to try challah bread. We all thought it was delicious.

In PE we have been learning how to play tennis. Mr Muggleton has taught us how to bounce the ball on our racket, keep control of the ball when it bounces on the ground, and practise balancing the ball.

Readathon

We are entering the last week of our 'March into Reading' month, which means it is also the last week of our 'Readathon'! Please can you make sure you encourage your child to read as much as they can and log their reading and sponsorship here <https://readathon.my.salesforce-sites.com/sponsor>.

The money raised will provide vital support to children in hospital, so it is a very good and worthwhile cause!

We can't wait to see how much we raise. Thank you for your continued support with 'March into Reading'. It has been a fantastic month full of reading.
