## Shakespeare Project

All our children across the whole school have thoroughly enjoyed learning about Shakespeare's 'The Merchant of Venice' over the last few weeks – I have been amazed by the quality of work produced and have had a steady trickle of children to my office to share their learning with me. It has been a regular theme of our superstar and good work awards over the last few weeks, especially when children are asked what their favourite learning has been. As I sit writing this, I can hear our group of Y5 children who will perform in the NPAT Shakespeare Festival at the Derngate on 16<sup>th</sup> March in the hall working on their performance with external experts and coaches – it promises to be a truly wonderful evening and I hope that some of you will join us. Tickets are now available from the Derngate box office.
