## **Y5 Shakespeare Drama Day!**

Year 5 enjoyed an awe-inspiring day with the team from 'Silhouette' on Wednesday, beginning work on our contribution to the NPAT Shakespeare performance project for this year, which will again be a recorded performance this year. The children explored scenes from *The Tempest* through drama and movement and deepened their understanding of the play. We are looking forward to seeing the finished product when it is released in March.

## COVID update

After a very challenging couple of weeks, it feels like we may finally be turning the corner with COVID cases again, both amongst pupils and staff. I would still advise lateral flow testing your children on Sunday and Wednesday evening next week please just to try and keep things moving in the right direction, but we will not send reminders. Please continue to be vigilant if your child feels unwell and remember that anyone with COVID symptoms requires a PCR test and needs to isolate whilst waiting for the result, even if their lateral flow is negative.
