## Jubilee Celebrations

The end of last term saw a spectacular school celebration of the Queen's Platinum Jubilee – a particular favourite was the whole school dancing through the decades and a massed conga around the playground and field at lunchtime! It was also really great to see so many parents at the 'after party' – thank you so much for all of your support buying cakes and refreshments. We're really pleased to be able to let you know that around £700 was raised by FUMPS, which is a brilliant start to getting going again with their fundraising.

## Take One Picture Exhibition National Gallery London

We are so proud of our Y5 children as their art work goes on display at The National Gallery in London!! It is a free exhibition and could be seen in a quick 20-30 minute drop in if you're going to London at all over the summer. Even though only a small selection of work is actually being exhibited, all children in the year group can share a sense of pride at the achievement – it is their ideas and different perspective on the painting that led to our selection.

## Raffle Tickets

We still have two unclaimed raffle tickets from the Platinum Jubilee celebrations.

Blue 418

Blue 506

Prizes can be claimed from the school office.

## Reception Visit to West Lodge Farm

Foundation Stage were a credit to the school during their visit to West Lodge Farm. They fed the animals, explored the playground, went on a bumpy tractor ride around the farm and saw the piglet race. It was a very busy day and some of the children had a sleep on the coach on the way home.

## Year 4 River Trip

This week Year 4 visited the River Nene for their Geography field-work.

A lovely afternoon was had by all down by the riverside.
