Transition Day – Monday 8th July

We have reached that point of the year where your children will spend Monday in their new classes for the day with their new teachers. We are delighted to welcome some new teaching staff to our school in September – a long-term permanent replacement for Miss Cariga, who left at Christmas, and staff who will be covering Miss Cumberpatch and Miss Duffy's maternity leaves.

Miss Kaitlin Brindley, who has been working in Y2 since Miss Field left at the end of April, will also continue on her permanent contract with us from September. Miss Alice Bagniuk, Miss Charlotte Gilkes and Miss Charlotte Dolling will be with us on Monday and have already been spending time in school with us and will continue to visit until the end of the year.

Please drop and collect your children from their usual classrooms on Monday – they will be very excited to tell you when they come out of school at the end of the day who their new teachers are. Teaching Assistants will spend the day with their current classes to provide continuity for the children, we are still in the process of confirming which support staff will work where in September.

Y6 parents – please ensure you have read communication from secondary schools about what happens on their transition days. The children should go direct to their new schools, not come to Upton.

Year 6 Spotlight

The Greatest Showman

This week the 'Greatest Show' came to Upton – our hall became a 'Big Top' and our Y6 children put on three performances of 'The Greatest Showman'. The children worked so hard and showed real courage getting up on stage and performing their songs, dances and lines. We are really proud of all of you – what a wonderful way to celebrate this fantastic year group!

Transition

We have been completing different activities to get us prepared for our move to secondary school. We have been thinking about what we are excited about and things we might be a little bit worried about.

We worked in groups with other children going to our new school, we looked at the school uniform and the curriculum. We also looked at an example timetable and answered questions about different lessons.
